Dear Sirs,

Trading House "GABBI" Ltd - leading Ukrainian manufacturer of clothes and underwear for women and children from 0 to 14 years. Now we are expanding and looking for distributors and buyers in different countries of the world.

We independently conducts the whole cycle of work on models - from the idea and the design development to the finished product. This allows us to monitor the quality of all processes, produce collections on schedule, and respond in a timely manner to changes market trends. This is a guarantee of quality and timely receipt of goods for our partners.

For the production of clothing, principally natural fabrics are used. During the creation of bright and colorful pictures on our products, we use only certified paints.

The company is a holder of all necessary quality Ukrainian certificates and CIS, as well as an international certificate DSTU ISO 9001:2009.

We have developed a successful selling chain throughout the region. Our main production facility is located in more than 2000 m².

The production facility comprises of five sectors (Modelling, Tailoring, Printing, Control and Packaging facility) which fully cover the entire production process, from the product modelling to the packaging.

The company's vision is to become a recognizable brand in the production of women and children's wear at regional and broader level, with its distinctive quality, design and acceptable prices.

You can learn more about our products on our website: gabbi.com.ua, we can send you catalogs of our products.

We will be glad to answer all your questions.

Best Regards,

Elena Podorozhnya
